# Magic Word Square #1

How many words can you find in the Magic Word square? Write the words you find on the lines below. There are more than 40 words!

## Rules to remember:

- The words you find must have three or more letters.
- Start on any square and move one square at a time in any direction. You may not skip a square!  
*Examples: PAIN is allowed because each square is touching another square.  
WAND is not allowed because the squares with the letters N and D are not touching each other.*
- You may not use the same letter square twice in a row.
- Plurals are allowed.
- No proper nouns! (Example: Ana)

L	D	U	I
Y	W	P	I
N	S	A	N
I	G	C	A
